

2026 – 2027 Season Community Service Form

Florida Symphony Youth Orchestras provides an opportunity for the talented young musicians of Central Florida to work and grow together, both musically, and in their appreciation for the arts. Not only do FSYO students cultivate their love of music, but they also learn teamwork, leadership, and discipline. It is our hope that at the conclusion of their time spent with us, our students depart well-prepared for the challenges of college education and life ahead. It is also our intent that they use their talents to benefit others and to bring the joy of fine music to their respective communities.

Students rehearse weekly, August through May, and play in regular programs throughout the year. Because of the time commitment involved in playing with FSYO and the immeasurable effect on the community, we are pleased to offer students community service hours for a full season with FSYO, as well as additional opportunities to earn hours for backstage, administrative, and fundraising duties.

If you are a school administrator looking for more information on the validity of these hours, please feel free to contact the FSYO office at 407.999.7800, or coordinator@fsyo.org. For immediate information, please visit www.fsyo.org. The Florida Symphony Youth Orchestra is a 501 (c) 3 nonprofit.
